Texas Student Dietetic Association (TSDA) Membership Enrollment Form

Eligibility for Membership:

TSDA upholds the same qualifications for membership as the American Dietetic Association (ADA). The following qualifications have been slightly modified from those that appear on the ADA website and can be referenced at http://www.eatright.org/students/join/.

Any person who meets one of the following:

- Is a student enrolled in a Commission on Accreditation for Dietetics Education (CADE) accredited/approved dietetics program or supervised practice program in Texas, or
- Is a student enrolled in a regionally accredited, post-secondary education program in Texas which is non-CADE accredited. This classification is available to students in Texas who state their intent to enter a CADE accredited program, or
- Is a student returning to school on a full-time basis for a baccalaureate or advanced degree or to complete a CADE accredited supervised practice program in Texas (Dietetic Internship or Coordinated Program) — annual verification required.

Directions:

1. Collect $10 per member and write a check payable to TSDA for all students requesting membership.
2. Return this form along with the check to:

   Texas Student Dietetic Association
   Attn: Olivia Munger, TSDA Treasurer
   6138 Llano Avenue
   Dallas, TX 75214
3. In exchange for the membership form and check, each student will receive a TSDA membership card and complimentary t-shirt!
